2	**White**	Stripes 2, 4, 6… — all the even stripes
3	**Dark blue**	Rectangle behind the moon and star
4	**Yellow**	Crescent moon and 14-point star

DID YOU KNOW?

Malaysia's flag has a name: **Jalur Gemilang**, which means "Stripes of Glory".

There are **14 stripes** and a **14-point star** — one for each of the 13 states plus the federal government.

Yellow is the **royal colour** of Malaysia's rulers, and the crescent represents Islam.

Malaysia's rainforests are home to the **Rafflesia** — the biggest flower in the world, up to a metre wide!
