COLOUR GUIDE

1	**Red**	Top stripe
2	**Blue**	Second stripe
3	**Yellow**	Third stripe
4	**Green**	Bottom stripe

DID YOU KNOW?

The **dodo bird** was native to Mauritius — it went extinct in the 17th century after humans arrived.

Mauritius is a **volcanic island** in the Indian Ocean, known for its beautiful beaches.

Mauritius is one of the few countries with **four coloured stripes** on its flag — each one has a meaning.

Red represents the struggle for independence, blue the Indian Ocean, yellow the sunshine, and green the agriculture and nature.
