## DID YOU KNOW?

The **four stars** represent the four island states of Micronesia: Yap, Chuuk, Pohnpei, and Kosrae.

Micronesia consists of over **600 islands** scattered across the western Pacific Ocean — an area larger than the continental USA!

Micronesia is famous for **Chuuk Lagoon**, one of the world's best wreck diving sites with over 60 sunken WWII ships.

The island of Yap uses giant **stone discs** called Rai as a traditional form of currency — some are over 3 metres wide!
