DID YOU KNOW?

This is one of the world's **newest flags** — it was only adopted in **2010**.

Myanmar used to be known as **Burma** — the country's name changed in 1989.

The famous **Shwedagon Pagoda** in Yangon is covered in real gold and topped with thousands of diamonds.

Yellow stands for **unity**, green for **peace**, red for **courage** — and the white star for the whole country together.
