DID YOU KNOW?

The shield is split into **four parts**, one for each of Andorra's historic rulers — a bishop's mitre and crook, the three stripes of Foix, the four stripes of Catalonia, and two cows for Béarn. The pictures are left out here to keep it colourable.

Andorra has **two heads of state at the same time** — the President of France and a bishop from Spain. It's the only country in the world run this way.

Andorra is a tiny country high in the **Pyrenees mountains** between France and Spain, and its capital is the highest capital city in Europe.

The real coat of arms has a scroll underneath reading **"VIRTVS VNITA FORTIOR"** — Latin for "strength united is stronger".
