DID YOU KNOW?

Prague, the capital of Czechia, has one of the world's best-preserved **old city centres**.

The word **"robot"** first appeared in a 1920 play by Czech writer Karel Čapek. His brother Josef came up with it.

Famous Czech composers include **Dvořák and Smetana**, who wrote music inspired by Czech landscapes.

The blue triangle was added to make the flag different from **Poland's**, which is also white and red.
