3	**Light blue**	The sky
4	**Blue**	The sea
5	**Gold**	The sand
6	**Green**	The palm leaves
7	**Brown**	The palm trunk and the canoe
8	**White**	The sail

DID YOU KNOW?

The coconut **palm tree** stands for strength, because it can grow in poor soil and survive storms.

The canoe is a **proa**, a fast sailing boat built by the Chamorro people.

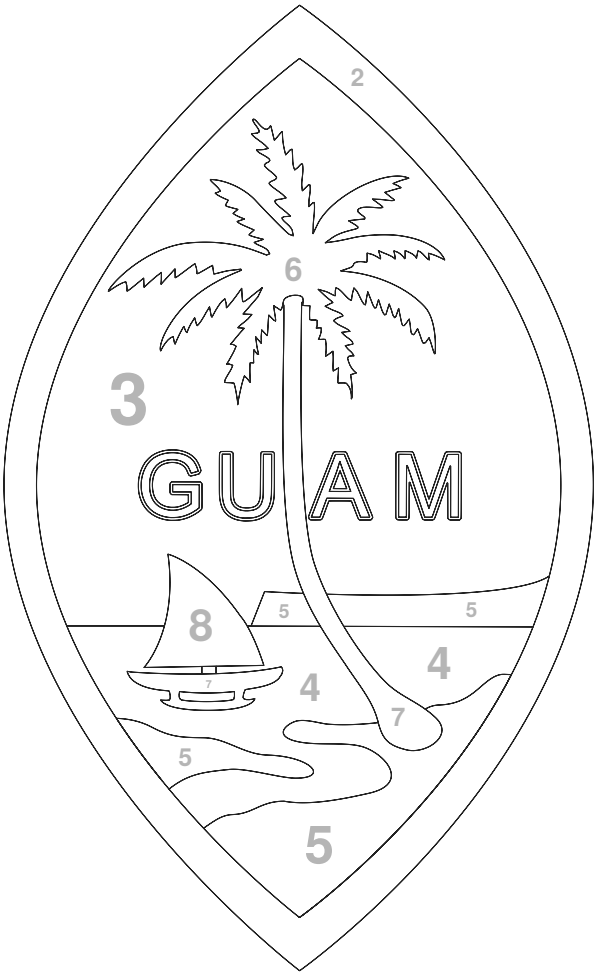

The flag was designed in **1917**, and the red border was added in **1948**.

Guam is called the place **"where America's day begins"**, because it is so far west across the Pacific.
