COLOUR GUIDE

1	**Light blue**	The background
2	**White**	The border around the black triangle
3	**Black**	The black triangle
4	**Yellow**	The small triangle at the front

DID YOU KNOW?

The triangles stand for the **Pitons**, two volcanic peaks that rise from the sea.

The light blue stands for the **sea and sky** around the island.

Saint Lucia is a small island in the eastern Caribbean, a little bigger than the **Isle of Man**.

Saint Lucia has produced **two Nobel Prize winners**, an amazing number for such a small country.
