DID YOU KNOW?

The white peak in the shield is **Mount Triglav**, the highest mountain in Slovenia. It's such an important national symbol that it's said every Slovenian should climb it once.

The wavy lines under the mountain stand for Slovenia's **rivers and its short coastline** on the Adriatic Sea.

The three gold **six-pointed stars** come from the coat of arms of the Counts of Celje, a powerful noble family from Slovenia's history.

Slovenia is a small, very green country in central Europe. It's famous for **Lake Bled**, its caves, and for having lots of **beekeepers**.
