3	**Your choice**	The coat of arms — real colours on page 2, or any you like

DID YOU KNOW?

The two **blue** stripes stand for the Pacific Ocean and the Caribbean Sea, and the **white** stripe stands for peace.

This is the **state flag**. Its coat of arms has five volcanoes inside a triangle, a red cap of liberty, a rainbow and the date 15 September 1821, when Central America declared independence.

El Salvador is the **smallest country in Central America**, but one of the most crowded. It sits on the Pacific coast between Guatemala and Honduras.

It's nicknamed the **'Land of Volcanoes'** because it has so many — around twenty — and some are still active today.
