Gabon Flag Colouring Page

Easy

COLOUR GUIDE

1	**Green**	Top stripe
2	**Yellow**	Middle stripe
3	**Blue**	Bottom stripe

DID YOU KNOW?

Gabon has one of the highest proportions of **rainforest cover** of any country — over 85% of the land is forest.

Gabon is home to more than half of the world's remaining **western lowland gorillas**.

Green represents the **forests**, yellow represents the **equator** passing through the country, and blue represents the **sea**.

Gabon is one of Africa's most important **oil-producing** countries.
