DID YOU KNOW?

The **five stars** stand for the five countries that once formed a union together in Central America: Honduras, Guatemala, El Salvador, Nicaragua and Costa Rica.

The two **blue** stripes stand for the Caribbean Sea and the Pacific Ocean on either side of the country, and the **white** stripe stands for peace.

Honduras has huge rainforests full of wildlife. Deep in the jungle lies the ancient Maya city of **Copán**, famous for its carved stone monuments.

Honduras sits in **Central America**, between Guatemala, El Salvador and Nicaragua. Off its coast are beautiful coral reefs and islands.
