DID YOU KNOW?

Belize has the **only national flag in the world with people on it** — two woodcutters, one holding an axe and one a paddle, standing either side of the shield.

The ring around the circle is a wreath of **50 leaves**, chosen for the year 1950, when Belize's push for independence began.

The shield shows tools from the **mahogany logging trade** and a ship. The motto on the scroll, **Sub Umbra Floreo**, is Latin for "Under the shade I flourish".

Belize has the **second-largest barrier reef in the world**, after Australia's Great Barrier Reef.
