DID YOU KNOW?

The golden curl is a **boar's tusk**. On the islands, curled pig tusks are a traditional sign of wealth and are worn as pendants.

Inside the tusk are two crossed **namele leaves** from a palm-like plant called a cycad. They stand for peace, and their 39 little leaflets stood for the 39 members of the first parliament.

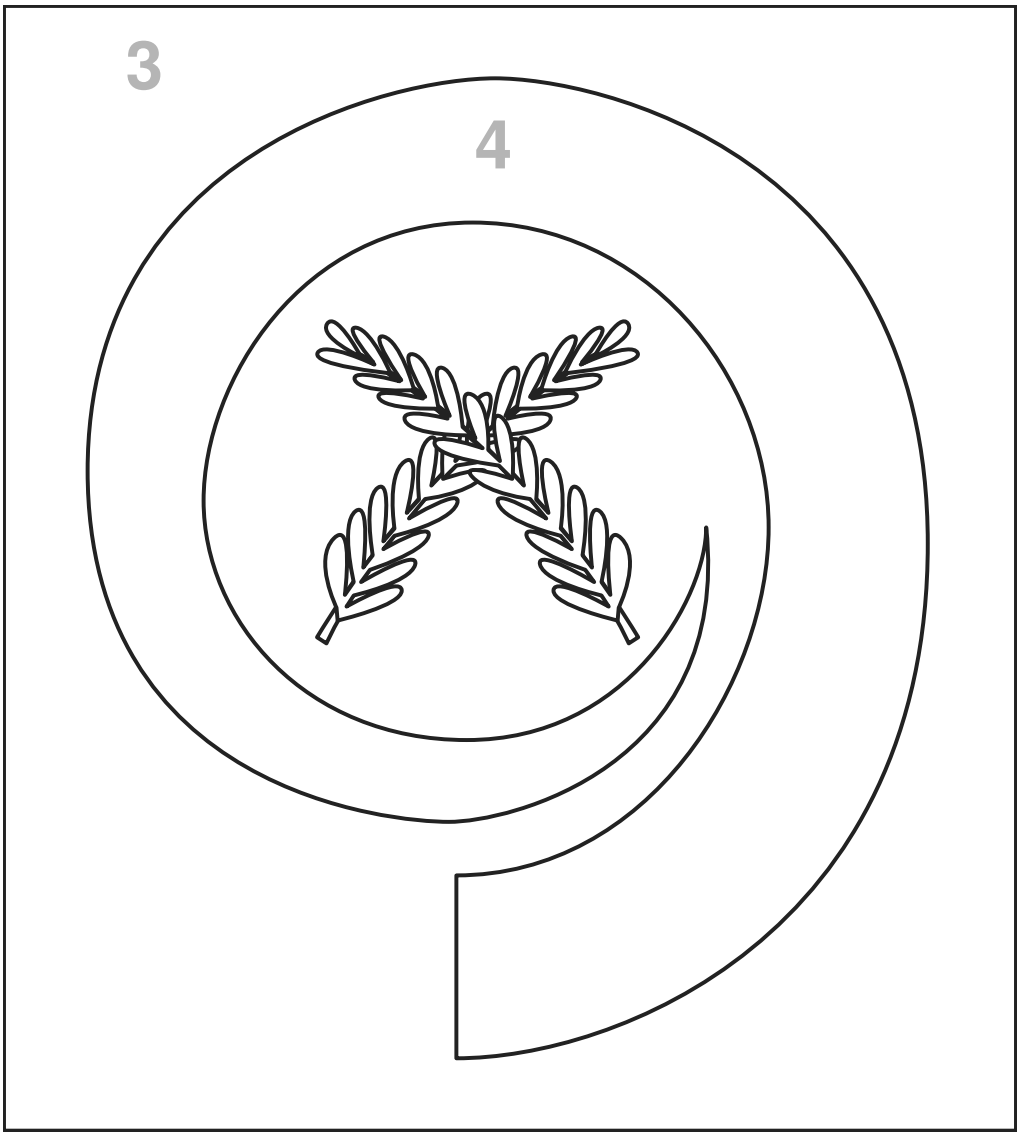

The golden **Y-shape** is said to show the shape of the island chain and the light of Christianity. Black stands for the people, red for blood and green for the rich land.

Vanuatu is a chain of about **80 islands** in the South Pacific, known for its active volcanoes and coral reefs.
