DID YOU KNOW?

Niger is one of the **hottest countries** in the world — over 80% of it is Sahara Desert.

The country is named after the **Niger River**, which flows through the south of the country.

Orange represents the **Sahara Desert**, white represents **purity**, green represents the **fertile south**, and the orange circle represents the **sun**.

Niger has several national parks where you can see **giraffes, lions and elephants**.
