2	**Red**	Bottom-left quarter and the star in bottom-right
3	**White**	Top-left and bottom-right quarters

DID YOU KNOW?

The **blue star** represents the Conservative Party and the **red star** represents the Liberal Party — the two main political parties at the time of independence.

Panama is famous for the **Panama Canal** — one of the world's most important shipping routes, connecting the Atlantic and Pacific Oceans.

Panama has some of the most **biodiverse rainforests** in the world, including over 10,000 plant species.

Despite the name, the famous **Panama hat** was actually made in Ecuador — it just became popular in Panama during the canal's construction!
