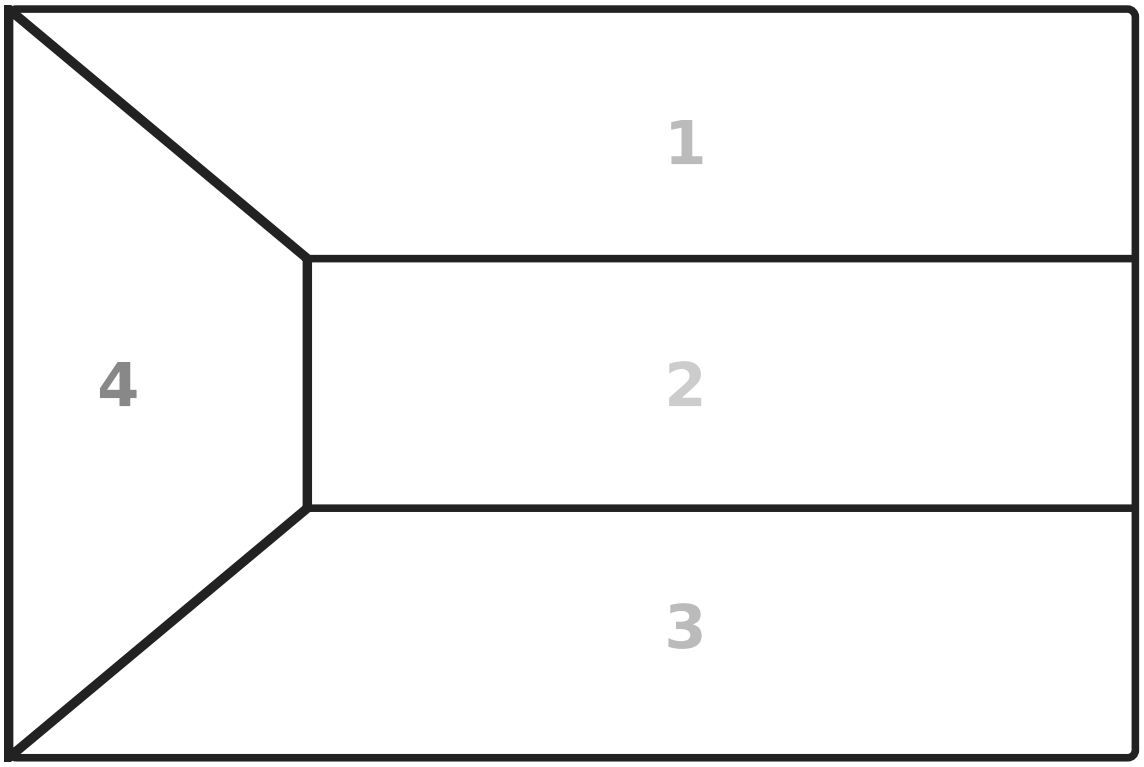
Kuwait Flag Colouring Page

Medium



COLOUR GUIDE

1	**Green**	Top stripe
2	**White**	Middle stripe
3	**Red**	Bottom stripe
4	**Black**	The trapezoid on the left

DID YOU KNOW?

Kuwait has some of the world's largest **oil reserves** — oil makes up over 90% of its exports.

Kuwait sits on the **Persian Gulf** and has a very hot, dry desert climate.

The black trapezoid represents the defeat of enemies on the battlefield.

Green represents fertility, white represents purity, and red represents blood on Kuwaiti swords.
