COLOUR GUIDE

1	**Red**	The whole background
2	**Gold**	The sun, its rays and the pattern inside

DID YOU KNOW?

The golden **sun** has **40 rays**, one for each of the 40 ancient Kyrgyz tribes that were united into one nation by the hero Manas.

The criss-cross pattern in the middle is a **tunduk** — the round wooden crown at the top of a **yurt**, the traditional round tent the Kyrgyz people live in. You're looking up at it from inside!

The **red** background stands for bravery. Red was said to be the colour of the flag of the hero Manas.

Kyrgyzstan is a very **mountainous** country in Central Asia — most of it is covered by the peaks of the Tian Shan mountains, and horses are a huge part of life there.
