COLOUR GUIDE

1	**Red**	The whole background
2	**Yellow**	All five stars

DID YOU KNOW?

Look closely — each of the four small stars is **turned so one point aims at the big star**. That's part of the official design!

Red is China's traditional **lucky colour** — you'll see it everywhere at Chinese New Year.

Giant pandas live in the wild only in China, munching bamboo in the misty mountains.

The **Great Wall of China** stretches for over 21,000 km — the longest structure ever built by people.
