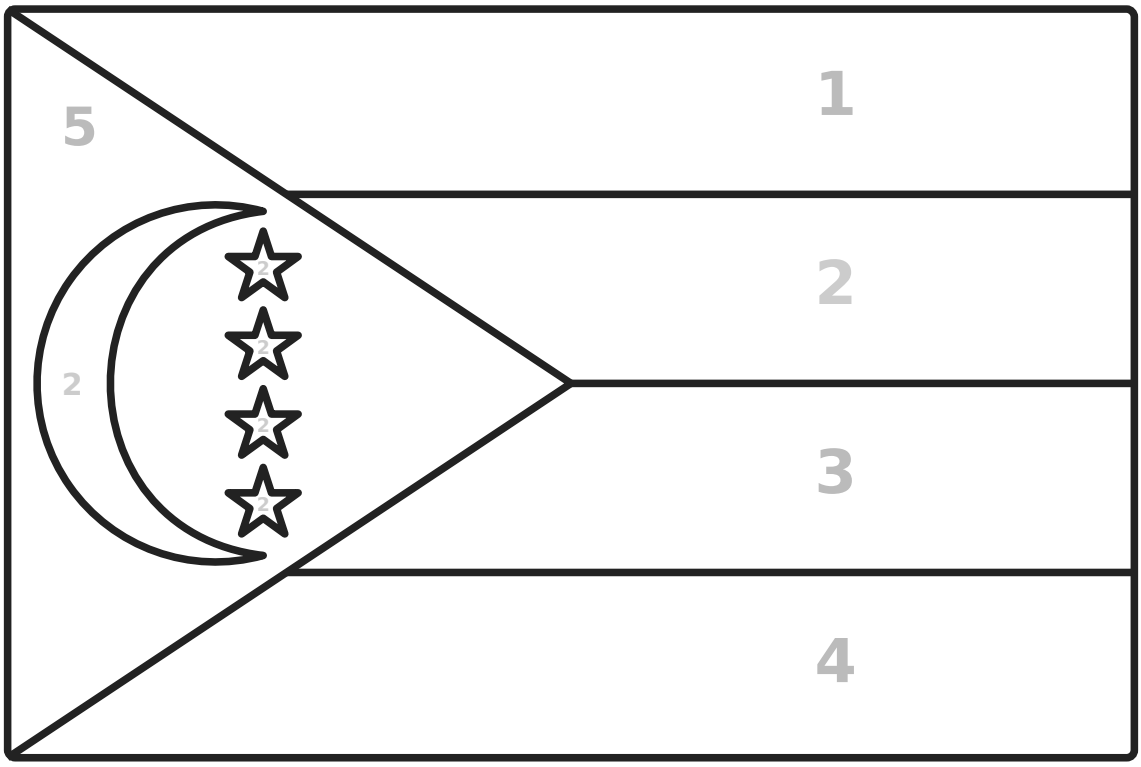
Comoros Flag Colouring Page

Tricky



COLOUR GUIDE

1	**Yellow**	Top stripe
2	**White**	Second stripe — plus the crescent and all four stars
3	**Red**	Third stripe
4	**Blue**	Bottom stripe
5	**Green**	The triangle on the left, around the crescent

DID YOU KNOW?

The **four stars and four stripes** both stand for the four main islands of the Comoros.

Mount Karthala, one of the world's most active volcanoes, towers over the biggest island.

The Comoros are called the **Perfume Islands** — their ylang-ylang flowers are used in famous perfumes.

The green triangle and crescent represent **Islam**, the main religion of the islands.
