DID YOU KNOW?

Tanzania has the **Serengeti** — home to the world's largest wildlife migration of wildebeest and zebra.

Tanzania is home to **Mount Kilimanjaro** — the highest mountain in Africa at 5,895 metres.

Tanzania was formed in 1964 from the union of **Tanganyika and Zanzibar** — which is how it got its name.

Green represents the land, black the people, yellow the mineral wealth, and blue the Indian Ocean and lakes.
