COLOUR GUIDE

1	**Red**	The whole background
2	**White**	The crescent and star — leave them white

DID YOU KNOW?

The crescent and star were used by the **Ottoman Empire** for centuries — the modern flag was standardised in 1936.

Istanbul is the only major city in the world that sits on **two continents** — Europe and Asia.

One legend says the design comes from the **moon and a star reflected in water** after a great battle long ago.

In **Cappadocia**, hundreds of colourful hot air balloons float over fairy-tale rock towers at sunrise.
