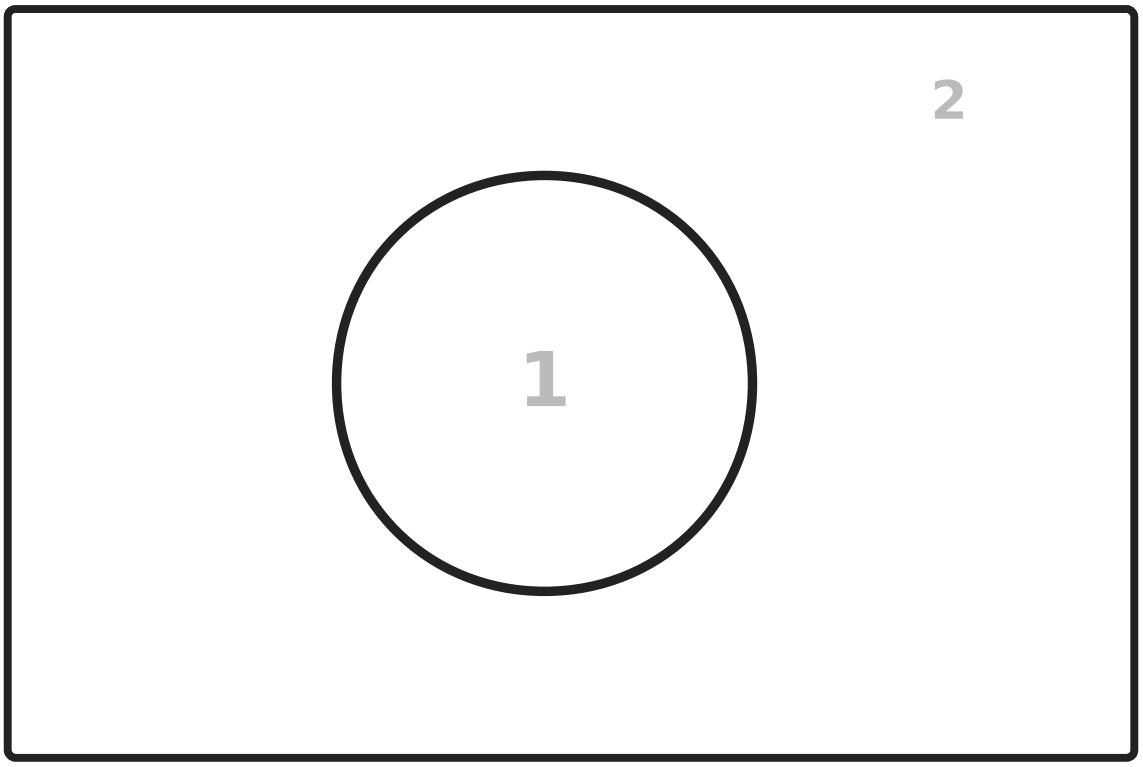
Bangladesh Flag Colouring Page

Very Easy



COLOUR GUIDE

1. **Red** — The circle — but slightly left of centre
2. **Dark green** — The whole background

DID YOU KNOW?

Green represents the **lush green landscape** of Bangladesh.

The red circle represents the **rising sun** and the blood of those who fought for independence.

Bangladesh became independent in **1971** after a war with Pakistan.

The red circle is placed **slightly to the left** so it looks centred when the flag flies in the wind.
