DID YOU KNOW?

Benin is a small country in **West Africa**, home to about 13 million people.

Green represents **hope and renewal**, yellow represents the **country's wealth**, and red represents the **courage** of the ancestors.

Benin is famous for its **Pendjari National Park**, one of the best places in West Africa to see lions and elephants.

The ancient **Kingdom of Dahomey** was located in what is now Benin and was famous for its powerful female warriors.
