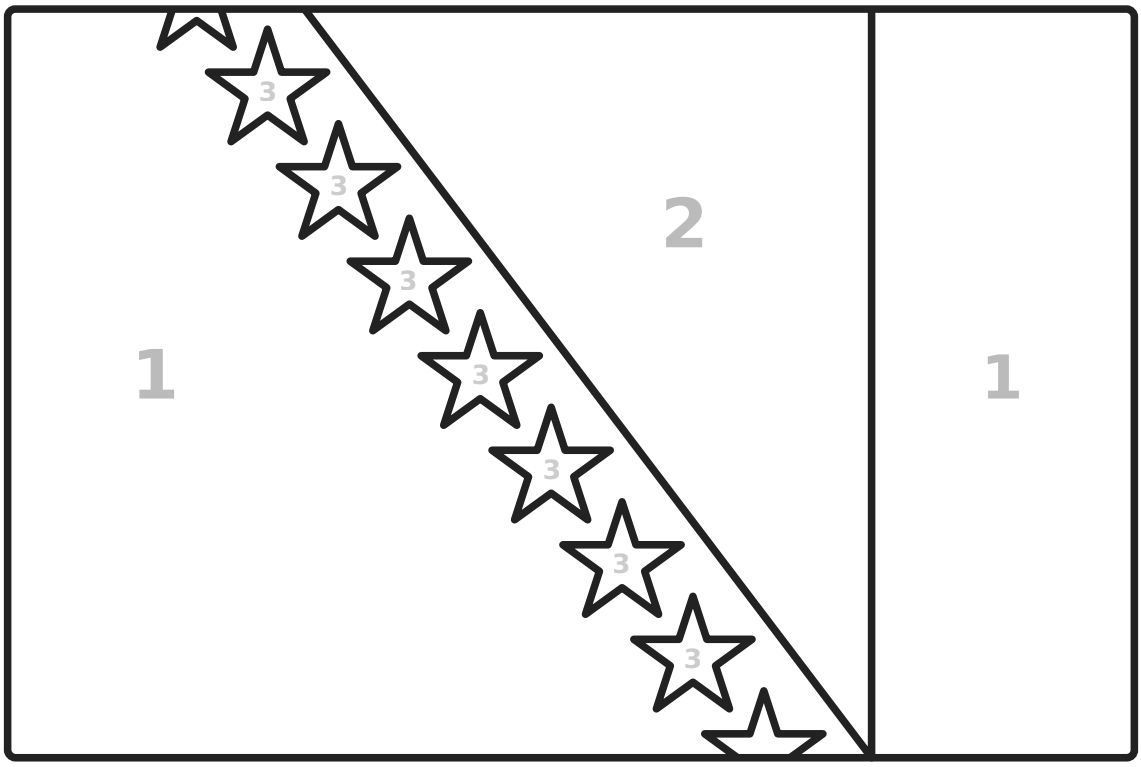
Tricky



COLOUR GUIDE

1	**Blue**	The background — both sides of the triangle
2	**Yellow**	The big triangle
3	**White**	All the stars along the slope — leave them white

DID YOU KNOW?

The stars at the top and bottom are **cut in half on purpose** — it suggests the row of stars goes on forever.

The **three points of the triangle** stand for the country's three main peoples — and its roughly triangular shape on the map.

The blue, yellow and stars were chosen to match the colours of **Europe** — the flag was adopted in 1998.

The beautiful **Stari Most** (Old Bridge) in Mostar is over 400 years old — divers leap from it into the river below!
