COLOUR GUIDE

1	**Blue**	The two stripes, and the Star of David in the middle
2	**White**	The background, and the middle of the star

DID YOU KNOW?

The blue star is the **Star of David**, an ancient six-pointed symbol made of two triangles. It's one of the best-known symbols of the Jewish people.

The design is based on the **tallit**, a traditional Jewish prayer shawl, which is white with blue stripes.

Israel is a very old land with deep history. The city of **Jerusalem** is considered holy by Jews, Christians and Muslims alike.

Israel has a coast on the Mediterranean Sea and also touches the **Dead Sea**, the lowest place on Earth's land surface, and so salty you can float in it!
