Madagascar Flag Colouring Page

Easy

COLOUR GUIDE

1	**White**	The upright stripe nearest the pole
2	**Red**	The top stripe
3	**Green**	The bottom stripe

DID YOU KNOW?

Lemurs live naturally only on Madagascar and the nearby Comoros islands.

Madagascar is the world's **fourth largest island**. It split away from Africa more than 150 million years ago.

Red and white were the colours of the old **Merina Kingdom**, while green stands for the coastal peoples.

Most of Madagascar's plants and animals, from chameleons to baobab trees, are **found nowhere else**.
