COLOUR GUIDE

1	**Blue**	The background
2	**Orange**	The upper diagonal stripe
3	**White**	The lower diagonal stripe and the star

DID YOU KNOW?

The big white **star** has 24 points, one for each of the country's districts. The four longest points stand for its main centres.

The two **stripes** stand for the two chains of islands: orange for Ratak (sunrise) and white for Ralik (sunset).

The Marshall Islands are made of **29 coral atolls** and 5 islands, rings of tiny islands around calm lagoons.

The stripes get wider as they rise, showing the islands lying just **north of the equator**.
