DID YOU KNOW?

The **dodo** lived only on Mauritius. It died out in the 1600s after people arrived.

Mauritius is a volcanic island in the **Indian Ocean**, known for its beaches and coral reefs.

The flag has **four equal stripes** and no other shapes, which is unusual for a national flag.

Red stands for the **struggle for independence**, blue for the **Indian Ocean**, yellow for **sunshine**, and green for the **land**.
