COLOUR GUIDE

1	**Red**	The background and the inside of the star
2	**Green**	The five-pointed star outline

DID YOU KNOW?

The green star is called **Solomon's seal**. Its five points are often said to stand for the five pillars of Islam.

Before 1915 the flag was **plain red**. The star was added so it would not be mixed up with other red flags.

Morocco stretches from the **Sahara desert** to the snowy **Atlas Mountains**.

Red has been the colour of Morocco's **royal families** for hundreds of years.
