COLOUR GUIDE

1	**Red**	The background
2	**White**	The crescent and star

DID YOU KNOW?

The **crescent and star** were used by the Ottoman Empire for centuries. The modern flag was standardised in 1936.

Istanbul sits on two continents, Europe and Asia.

One legend says the design comes from the **moon and a star** reflected in a pool after a great battle.

In **Cappadocia**, hundreds of hot air balloons float over strange rock towers at sunrise.
