COLOUR GUIDE

1. **Light blue** The flag background — the sea and sky
2. **Yellow/Gold** The outer triangle — sunshine and prosperity
3. **Black** The middle triangle — the African heritage
4. **White** The inner triangle — the island's European heritage

DID YOU KNOW?

The triangle represents the famous **Pitons** — two dramatic volcanic peaks that rise from the sea and are a UNESCO World Heritage Site.

The light blue background represents the **Caribbean Sea and Atlantic Ocean** that surround the island.

Saint Lucia is a small island in the **eastern Caribbean** — it's about the size of the Isle of Man.

Despite its small size, Saint Lucia has produced **two Nobel Prize winners** — more per capita than any other country!
