2	**Gold**	Middle stripe — the warm sands
3	**Green**	Right stripe — the lush vegetation
4	**Green**	The three diamonds — the islands

DID YOU KNOW?

The three green diamonds arranged in a **V shape** represent Saint Vincent and the Grenadines — the V also stands for "Vincent".

Saint Vincent has an active volcano called **La Soufrière** which last erupted in 2021, forcing thousands to evacuate.

The country consists of Saint Vincent and a chain of small islands called the **Grenadines**, including the famous Mustique.

Saint Vincent is known as the **"Gem of the Antilles"** for its lush tropical beauty and stunning landscapes.
