DID YOU KNOW?

Sierra Leone is famous for producing **diamonds** — the country's name means "Lion Mountains" in Portuguese.

Sierra Leone has one of the **largest natural harbours** in the world at Freetown.

Green represents the country's **mountains and natural resources**, white represents **unity and justice**, and blue represents the **Freetown harbour**.

The country's name comes from Portuguese explorers who thought the mountains looked like a **roaring lion**.
