COLOUR GUIDE

1	**Red**	The top half
2	**White**	The bottom half
3	**White**	The crescent moon
4	**White**	The five stars

DID YOU KNOW?

The white **crescent moon** stands for a young nation on the rise. Singapore became an independent country quite recently, in **1965**.

The **five stars** stand for Singapore's five ideals: **democracy, peace, progress, justice and equality**.

Red stands for friendship between all people, and **white** stands for purity and doing what is right.

Singapore is a tiny island country in South-East Asia, but it's one of the busiest and richest in the world. It's famous for its gardens, tall buildings and a giant hotel with a boat-shaped roof!
