2	**White**	Middle stripe
3	**Black**	Bottom stripe
4	**Green**	The triangle on the left

DID YOU KNOW?

Sudan has more ancient **pyramids** than Egypt — over 200 pyramids are found there.

The **Blue Nile and White Nile** rivers meet at Sudan's capital Khartoum.

Sudan uses **Pan-Arab colours** — red, white, black and green, shared by many Arab nations.

Sudan was once the **largest country in Africa** before South Sudan gained independence in 2011.
