DID YOU KNOW?

The **three red stars** on the new 2025 flag represent the three regions of Syria — the north, centre and south.

Syria is home to **Damascus**, one of the oldest continuously inhabited cities in the world — people have lived there for over 11,000 years.

This flag was adopted in **2025** after the fall of the Assad government, replacing the previous red-white-black flag with two green stars.

Green represents **the Rashidun Caliphate**, white represents the **Umayyad Caliphate**, and black represents the **Abbasid Caliphate**.
