COLOUR GUIDE

1	**Red**	The background and the gaps inside the eagle
2	**Black**	The double-headed eagle

DID YOU KNOW?

The **double-headed eagle** comes from the seal of **Skanderbeg**, Albania's 15th-century national hero.

Albanians call their country **Shqipëria**, which is often translated as "Land of the Eagles".

Take your time with the eagle. Its **feathery outline** is the trickiest part, so sharp pencils help!

Albania is dotted with about **170,000 small concrete bunkers** built in the 1970s and 80s. Some are now cafes and museums.
