DID YOU KNOW?

The white star is called the **'light that guides'**. It points the way to peace and freedom for the country.

The colours have meanings: **yellow** for the country's past under colonial rule, **black** for the darkness that must be overcome, and **red** for the struggle for freedom.

East Timor (also called **Timor-Leste**) is one of the world's newest countries. It became fully independent in **2002**.

It sits on half of the island of **Timor** in Southeast Asia, sharing it with Indonesia, and is one of only two mainly Christian countries in the region.
